

Vinny and Lisa DiTommaso

A Rhode Island native, Vinny moved from Boston to Beaverton in 2001. A few years later, he met his neighbor's daughter, Lisa, and was married in 2004. He was an active member of Cedar Mill Bible Church prior to joining Westport over two years ago. Vinny has served at Westport Church on the Offering and Hospitality teams. He also leads a Community Group, serves in the Port Ministry, and participates on the Advisory Team. He continues to enjoy developing his gifts of leading, teaching, and evangelism.

Vinny accepted Christ at the age of 10, but did not truly experience the born again life until his rededication to Christ at 24. At this age, Vinny challenged what others told him to think. He grew up in a Christian home. So, he felt his faith was a by product of his environment. He thought, "if I grew up in India, I'd be Hindu. Or if I grew up in Japan, I'd be Buddhist." After researching the major religions, Vinny bought the Bible on tape and listened to the entire Bible in three months. His life was changed forever as he truly accepted Jesus as his Savior.
